THE GENEALOGIES RECORDED IN THE SACRED SCRIPTVRES, According to euery FAMILY and TRIBE.

WITH THE LINE OF OVR Sauiour IESVS CHRIST, obserued from ADAM to *the blessed Virgin* MARY.

BY

J. S.

CVM PRIVILEGIO.

Anno Dom. 1637.

To the Christian READER.

THe Spirit of God in the sacred Historie, hath laid downe as are the light and life of all Nations originals. In them umstances of Person, Time and Place are the chiefe; el wander as without a guide: and of those the Person is p Genealogies then drawne from them, from whom all are led, and by Gods owne warrant recorded unto us, must ma all reverence that bee are holy, and farre from th' other which S. Paul wisheth. Amongst whose manifold vses, th chiefest, that by them is proved, how Christ was made very man. And therefore in Tables they are here exhibited even from their first root, and so continued throu spreading branches, so farre as the Scripture giveth them sap. In the reading wh these few directions be thy guides.

1 Such discents as hold on from the Parents to their Children, without inter are very plaine by their double lines, which run from rundle to rundle.

2 Those whose Parents are not certainely knowne, but are named of their Co Citie or Tribe, are ioyned each under other with this figure here in the margent.

3 And likewise such as are set in ranke side by side, and distinguished by th nall marke, are not to be reputed Brethren, but some other Persons of note of that where they are so inserted.

4 The names of Nations and People, (as likewise sometimes of Cities and ces of note) we have not encompassed in rundles as the rest, but in Compartiments, fering letters, that so they may be knowne from particular persons, and the Nam under them are not inserted, as certainely thence descended, but as eminent Pe among them.

5 And where of necessitie we are to breake off the Succession, to bee continued other page, that doe we at some principall Person: as at the flood with Noah to the Promise, with Terah and Abraham, &c. So that ever the Man at which off, is againe set in the first place of some ensuing page, where his issue is continued many times whole leaves full betwixt them, which are supplied with the collater is from Abraham, pag. 3. unto his wife and seed, page 6 and 7. &c.

6 The lineage of our blessed Saviour (which is our principall scope) is know chaine-like traile, continued from Adam to Sem, pag. 1. and thence to Terah an ham, page 3 &c. So likewise from David, page 22. to his sonnes, Salomon than, pag. 33. And lastly, to our Saviours Parents, pag. 34. linked together (t marriage here are) by the sculpture of an hand in hand. Both descended from Z bel. as the holy Evangelists have recorded: from David, Iudah and Abraham, a fes, and the Prophets have spoken, and Iewes themselues thus farre grant, that M siah should be the c sonne of a Virgin, her name Mary, and she of d Bethleh daughter of Eli, of the house of Zorobabel, and Tribe of Iudah. In all which, on is manifestly designed, and by these Iewes both acknowledged to have beene of the royall, and also recorded in the number of the Princes in their pointike Register at I lem, by this Title; IESVS THE SONNE OF THE LIVING AND OF THE VIRGIN MARY. Thou e the Davids sonne, and hams Heire, f whom all the kindreds of the earth are blessed, g being the very of the invisible God, h the brightnesse of the glory, and the ingraven forme of person, in whom dwelleth the fulnesse of the God-head, bodily, and unto whom be ascribed all glory, i praise, wisdome, thanks, power, and might, for ever- more. Amen.

Abraham sent his sonnes by Keturah, whereof Midian was one, into the East, Gen. 25. 6. From hence are the Midianites. Iudges 6. 3. And in the East, Iob is the greatest. Iob 1. 3. Hee held the true worship of God, as did Raguel and Iethro Ex. 18. 11. His story and afflictions are though to be before that Moses penned the Law.
